Re: Appointment to a Revised Subcommittee Membership with New Charge

State Representative Josh Zepnick, Chair of the Subcommittee, and I, want to thank those of you who previously served on the Council's Medicaid Infrastructure Grant Subcommittee (CWI-MIG). We also welcome those of you who volunteered to be on a reconstituted subcommittee. We are pleased that the composition represents a broad range of expertise.

The Subcommittee will have an expanded role to advise on and monitor the implementation efforts of the MIG and Managed Care and Employment Task Force recommendations. For those of you who were not intimately involved with the Task Force Report it can be found at: <http://dhs.wisconsin.gov/wipathways/PolicyDocs/MCETF%20Final%20Report.pdf>

Attached is the new charge of the CWI-MIG that was approved at the March 27, 2009 CWI meeting. We will continue to have regular reports regarding your activities from the subcommittee Chair.

I am confirming your appointment via this communication. Staff will provide members with materials such as work plans for all MIG projects and advance copies of MIG submissions to the grant funder. Members will be expected to attend quarterly meetings and to provide advice, guidance and recommendations for action to the departments in carrying out the general activities of MIG and the specific activities that address the Task Force recommendations.

You will be hearing shortly from Ms. Molly Michels as the staff person from the Department of Health Services. Again, thank you for your public service on this vital work.
